END OF PRODUCT LIFE / LAST TIME BUY OPTION
B & C Packages

Marki Microwave announces the end of product life for our B & C packages. This EOL affects Marki product number(s) M1-0616LB. Effective immediately, we are opening a 12 month window through October 31, 2016 to Radar Systems to place a single last-time order. **After October 31, 2016, Marki will no longer accept a new order for model number(s) in a B and/or C package.**

Special terms will apply to all last time purchases, as follows:

1. Orders will be NON-CANCELLABLE, NON-RETURNABLE, Non-Reschedulable.
2. 10 piece Minimum Order Quantity, shippable in one lot only.
3. Volume orders will be shipped in 100 piece lot shipments scheduled no more than 30 days apart. Purchase orders must ship complete prior to 12/31/2016.
4. Recommended replacement model is:
 - a. M1-0616LB: Engineering recommends M1-0616LA

Please route this announcement to any and all concerned personnel to ensure that requests for quotations and orders are received in a timely fashion.

Best regards,

Tammy Trillo
