END OF PRODUCT LIFE / LAST TIME BUY OPTION
IQ MT and XT Packages

Marki Microwave announces the end of product life for all catalog and custom products built in our "MT and XT" carrier packages. Effective immediately, we are opening a 60 day window through December 31, 2015 to Radar Systems to request quotes and place a single last-time order for products built in the MT and/or XT carrier package.

After December 31, 2015, Marki will no longer accept new orders for catalog or custom model number(s) built in the MT and/or XT carrier package.

Special terms will apply to all last time purchases, as follows:

1. Orders will be NON-CANCELLABLE, NON-RETURNABLE.
2. 10 piece Minimum Order Quantity, shippable in one lot only.
3. Orders must be shipped complete within 90 days of original PO date.
4. Orders > 50 pieces may be shipped in 50 piece lots scheduled no more than 30 days apart and must be shipped complete within 6 months of the original purchase order date.

Please route this announcement to any and all concerned personnel to ensure that requests for quotations and orders are received in a timely fashion.

Best regards,
